Dear Mr. Trobman,

In the matter referenced above for my Father, Earnest M. Teel, we were notified of a hearing schedule for January 26th, 2011 in Austin. It is necessary for us to ask for a continuance, or new date for this hearing. I am responsible for transportation for my father and will be attending a previously scheduled meeting with my company that week. I respectfully ask that we schedule this hearing at another time. There is also a possibility my Dad may not be able to attend because his health is rapidly declining and he cannot get around very well however I can speak for him.

Would it be possible to reschedule for either March 4th or March 7th?

Your consideration of this request is most appreciated.

Sincerely,

Lori Teel Harris
